So I'm finally back at work. On this last document you sent, it is labeled 2019-2020, but it is really 2018-2019. This is another reason we need the QuickBooks information (another reason is that the Excel files truncate notes and don't allow us to review "splits").

In addition, please provide the following:

Financial:

Balance Sheets  
Income Statements  
Statement of Cash Flows  
Statements of Shareholder Equity  
Seth Bernstein or related entity credit card statements to he extend used to pay All in Jets expenses  
Supporting QuickBooks files

Part 35 Certificate ("Certificate"):

All documents relating to the issuance of the Certificate including, without limitation the US DOT FAA Operational Specifics for All in Jets  
Management Agreement Contracts for all Aircraft related to all aircraft flown under the Certificate  
Specifics of all flights flown (including flight logs and passenger manifests) by tail number of all aircraft flown under the Certificate, and aircraft subcontracted  
Subcontractor agreements related to all aircraft flown under the Certificate  
Aircraft owner agreements related to all aircraft flown under the Certificate  
Third party revenue sharing agreements related to all aircraft flown under the Certificate  
Detail on allocation of costs across aircraft related to all aircraft flown under the Certificate  
Details concerning owner trips referenced related to all aircraft flown under the Certificate  
Detail maintenance revenue and cost allocation related to all aircraft flown under the Certificate  
Management fees paid or due related to all aircraft flown under the Certificate

Thanks,

Mike
